WEB PROJECTS

Conscientious Consumer Barcode Reader App, Ruby on Rails (<http://buyinformed.herokuapp.com/>)

- A web app that reads product barcodes to give you a company rating of the related manufacturer.
- Created and sourced data to create my own API and RESTful interface for company ratings.

Plan My Night App, Ruby on Rails (<https://conciergely.herokuapp.com>)

- Plan My Night is a random plan generator that utilizes multiple APIs to generate your perfect night, including Weather API, Google Maps, Eventbrite, Geocoder, Stripe, and Yelp.
- Utilizes algorithms to generate a list of plans that are within walking distance (1 mi) of one another.
- Features a meetup tool that finds the perfect venue located conveniently between you and a friend.

Academy Panel, Ruby on Rails (<https://afacademy.herokuapp.com>)

- A user-friendly database panel that can effectively manage students, courses, and instructors.
- Dynamic animations and intuitive interface built from scratch / vanilla Javascript and CSS.

PROFESSIONAL EXPERIENCE

DISCOVERY STUDIOS • DISCOVERY COMMUNICATIONS • New York, NY

2010-2018

Television Producer / Project Manager

- Oversaw day-to-day production timelines and worked closely with clients and production companies to keep deliverables on time, on budget, and meeting all editorial requirements for hundreds of projects in production and development. Proven ability in juggling multiple high-stakes projects in production at once.
- Developed and produced twelve original nonfiction series for Animal Planet and Discovery Channel.
- Conceived, wrote, and designed all treatments and presentation decks for all development projects

NBC NEWS • New York, NY

2009-2010

News Production Researcher

- Provided breaking news updates to anchors and producers. Functioned as researcher and primary fact checker for all health-related stories for NBC News TODAY, Dateline, and Nightly News.

NBC UNIVERSAL • New York, NY

2008-2009

NBC Page

- Guest Relations: Conducted NBC studio tours; facilitated tickets and audience coordination for live tapings of Late Night with Conan O'Brien, Late Night With Jimmy Fallon, and Saturday Night Live.
- NBC News Media Relations Assistant: Acted as a primary liaison between the NBC News publicity team (Dateline, Nightly News & TODAY Show) and other media outlets during the 2008 presidential election.
- SYFY Marketing Assistant: Maintained, updated, and managed the SYFY mobile website and its assets.
